The theme this year is **Western Hoedown**, wear your plaid shirts and jeans. More details to come.

KEY ACTIVITIES OVERVIEW

Keynote Speaker

Warren Macdonald's life's boundaries were redefined in April 1997 with his accident on North Queensland's (Australia) Hinchinbrook Island. Climbing to the Island's tallest peak, he became trapped beneath a one-ton slab boulder in a freak rock fall. Two days later he was rescued, only to undergo the amputation of both legs at mid-thigh.

Just ten months later, he climbed Tasmania's Cradle Mountain using a modified wheelchair and the seat of his pants. In February 2003, he became the first double above-knee amputee to reach the summit of Africa's tallest peak, Mt Kilimanjaro (19,222ft).

Warren's best-selling book, "A Test of Will" was the subject of the "Trapped under a Boulder" episode of the Discovery Channel series "I Shouldn't Be Alive". Warren has appeared on numerous news and current affairs programs, including "Larry King Live", "The Oprah Winfrey Show", and "The Hour" with George Stroumboulopoulos. He lives in the Columbia Valley in BC with his partner Margo Talbot.

This keynote presentation will focus on what we can do to prepare for our challenges in advance and explore how we can fortify ourselves against the curveballs and roadblocks before they happen by practicing resilience.

BRING IT TO THE SURFACE: CDDA Health and Wellness Campaign Launch

Angele Poitras will be sharing with the conference delegates the exciting developments of the CDDA Bring it to the Surface campaign. If you recall at the fall conference in Niagara, members said they wanted to move forward with a mental health/wellness program and Louise was quick to respond. Be proud CDDA members, your logo and t-shirts were brought home from PDAC to Australia, to Ireland and everywhere in between!

Angele is a CMHA Certified Psychological Health and Safety advisor and has a certificate in Mental Health First Aid, but she believes her greatest education has been the opportunity to stay on-site at remote mines and talk to people about their challenges and their successes.

Angele will facilitate an up close and personal fireside chat about mental health in our CDDA workplaces. Delegates will be encouraged to participate, so come prepared with your queries.

Topics may include:

- Working in the industry as someone living with mental health challenges
- Successes we have seen and how you can replicate
- Can or should leaders champion mental health in their workplaces?
- What does a mentally healthy workplace look like?
- How can we improve the mental health of our drillers in FIFO locations specifically?
- And more...

KEY ACTIVITIES OVERVIEW

Technical Sessions

The technical sessions this year will take place June 12-13 and cover a broad variety of topics and ideas through the lens of the diamond drilling and exploration industry, exploring key topics such as innovative technology, economics, strategic management, safety and standards, diversity and inclusion, intriguing projects, and more. There is still time to apply to speak, for more information contact office@cdda.ca

Mini Tradeshow

The CDDA Mini Trade Show will take place June 12- 13 and provide a unique opportunity for companies to showcase leading technology, products, services, and more. A place to connect with decision-makers and promote brand awareness to diamond drilling industry leaders and innovators. An official booth registration form has been included in this package for your convenience.

Booth registration includes one free delegate pass to the Convention!

- One-on-one interaction with contractors, manufacturers, and suppliers
- Speaking and presenting opportunities to the entire delegation
- Host your booth during scheduled times so you are able to attend workshops
- Unattended (static) booth options are available as well

Annual General Meeting

Our Annual General Meeting this year will offer our members the opportunity to discuss business and address resolutions pertaining to the diamond drilling industry.

Our members will be offered the opportunity to present questions to the board, nominate new directors and interact with each other. Members will also be invited to evaluate the success of the association when the board presents an annual report and annual financial accounts for approval.

CDDA Lifetime Gala

The CDDA Lifetime Member's Gala provides our members with the opportunity to honour two members who have significantly contributed to the advancement of the Association's goals and objectives. These people are eligible to be nominated for the "Lifetime Membership" honour by member companies. The evening gala will feature a three-course dinner, wine, and live band Two Bit Bandit.

If you wish to nominate someone as a Lifetime Member, please complete the form included in this package and email it to office@cdda.ca. The Board of Directors is provided with all nominations. More information to come.

KEY ACTIVITIES OVERVIEW

Companion Activity Options

On June 13, 2023, the companions of our delegates are invited to participate in two activities, a morning spa session or a 20-min helicopter ride both options include lunch.

HYDROTHERAPY SPA SESSION

Hydrotherapy is the cycle of alternating between hot, and cold baths followed by periods of rest. This traditional Nordic sequence stimulates blood flow, eliminates toxins, reduces stress, allows the mind to unwind, and gently increases the heart rate for an instant feeling of head-to-toe wellbeing.

Hydrotherapy cycle allows you access to our entire facility including five temperature pools, four sauna's, two steam cabins, exfoliation cabin, relaxation lounge.

WARRIOR LOOKOUT (TOK YAPÉBI BAHA) TOUR- 20 minutes

Your flight begins from the Stoney Nakoda Resort and climbs over Mt. Baldy towards the Kananaskis River Valley. This adventure culminates with a final ascent over Mount Baldy, named Enemy Warrior Lookout by the Stoney Nakoda nation. This is where you will see where the "Warrior" looked over the spectacular Barrier Lake. Your return flight will provide full views of Heart Mountain, the Bow River, and Mount Yamnuska.

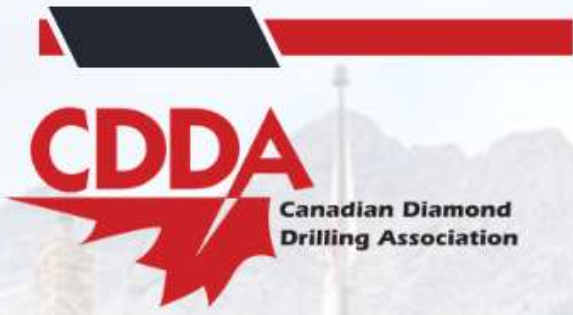

Annual CDDA Safety Awards

Members are invited to join us for our Annual Safety Awards presentation to be presented to those companies that have achieved the lowest accident frequency and those companies that have excelled at reducing their accident frequency during the year. Every drilling company member is eligible for an award, provided they have presented the C.D.D.A. office with their statistics for every quarter in 2022 and they have not had a fatality. Hours are submitted through our online portal, if you have not reported your hours for 2022 please do so as soon as possible. Please email office@cdda.ca for more information.
