Are You Okay?

Signs to Look For:

- Drinking or using drugs excessively
- Agitated, restless
- Appearance is disheveled
- Withdrawing from activities/friends
- Physical complaints that are new: headaches etc
- Difficulty sleeping
- Significant changes in eating habits
- Talking of self harm or ending life

What to Say:

- I care about you and I will support you
- Are you okay, I am worried about you?
- I am willing to listen

What Not to Say:

- Just relax....you will get over it
- I know how you feel
- You just need a day off

The Mental Health Continuum
